

Manna-Fest

Meeting for Ministry

May 22-24th

The Lighthouse Church, 105 4th Street East, Wapato, WA 98951

Thursday - 7:00PM

Friday - 9:00AM (sessions through the day)

Friday - 7:00PM

Saturday - 9:00AM (sessions through noon)

Basic start times are given to assist in planning, however ministry sessions can be short or long as the Holy Ghost dictates.

It has been our experience that being less restrictive with time format allows for a more free flow of teaching and ministry. Manna-Fest has not been about a group of messages, sermons or speakers but rather the free flow of ministry of the Holy Ghost.

May 22-24th

Accommodations are available for staying in the building for those who wish and who bring their own bedding. This is for MEN ONLY. Staying on premise can help cut cost and also enhance your personal experience with extended time fellowship with others and denying yourself the niceties of Hotel accommodations.

Many lives and ministries have been helped greatly through attending Manna-Fest Meetings, especially during pivotal times in the course of one's life. Some will come fasting and praying for personal or church needs with a deep level of consecration and commitment. The platform of Manna-Fest allows for this where a preaching conference might not.

Fasting is not mandatory but encouraged. Some have chosen to fast before coming to the meeting. This is completely acceptable!

The seriousness with which one approaches this meeting will directly impact the outcome for personal results from attending a Manna-Fest. Several have asked me when we would bring another Manna-Fest to Washington. We have prayerfully considered this and believe the time is right.

Please pray about attending and making this YOUR Manna-Fest!
